VILLA FRANCESCA 1018 CALA JONDAL, SANT JOSE

In Villa Francesca you can enjoy a simple, natural holiday surrounded by pine trees, breezes, an incredible infinity pool and beautiful views of the sea. Very close to Cala Jondal where the famous Blue Marlin is, this house offers simple accommodations, perfect for relaxation.

On the main floor of the house you will find a cozy living room area, a dining area with banquettes perfect for group gatherings and a fully equipped kitchen. The kitchen has a refrigerator, clotheswasher double sink, dishwasher, oven, 5 gas stove, microwave, toaster, coffeemaker, juicer and everything you need to prepare happy meals. Beside the living room is a bedroom with two single beds and beside the kitchen you will find a newly refurbished bathroom with double sinks of natural stone, shower, wc and skylight. There is a comfortable covered porch perfect for dining and beside the porch are three double bedrooms, two sharing a bathroom.

On the top floor there is a double bedroom with an ensuite bathroom and a terrace area with great views towards the sea. This top floor room is not recommended for small children. The Main floor of the house is perfect for children, except for the top floor. Outside of the house you will find a barbecue area, swing for children, and the great infinity pool in the garden.

This villa is in the process of adding a TV, none yet, so if you are travelling with children, bring your own DVDs so the children do something else for a change....

This beautiful villa is located only 5 minutes by car to Cala Jondal (Blue Marlin and other great restaurants) and Sa Caleta beach with its unspoiled beauty.

It is an excellent villa to go and explore all the beaches of the south and the western side of the island of Ibiza such as Cala Vadella, Cala d'hort, Cala Conte, Cala Tarida, etc.

The quaint town of San Jose, with its Restaurants, banks, drugstores, cute shops, cafes, newstands and supermarkets is only 10 minutes by car. Because of its location this villa is also close to the Salinas Beach, Es Cavallet (Nudist) and the famous Ushuaia beach club in Playa Den Bossa.

Ibiza town, with the clubs (Pacha, Lío), bars, restaurants and shops is only 15 minutes away!

Of course, if you decide to just stay home and relax you have a very attractive infinity pool measuring 12 m x 5m to enjoy on the breezy terrace with views of the sea far away.

We strongly recommend many siestas under the swaying pine trees!.

There will be SAT T.V. available by the first of June 2014 for the World Cup Soccer games.
