CASA MORNA REF 1078 SANTA EULARIA DES RIU

This nice property is close to San Carlos, just 3 minutes from the road between Sta. Eulalia and San Carlos and in the quiet country-side.

The 160 m2 villa sits on a plot of 17,000 m2, so plenty of open space around the house.

On the Swimming Pool terrace an electric BBQ is installed for the summer season. The Swimming pool is brand new, built in 2012. Better photos will be put on the web during spring 2014.

Outside in the garden, there are two unique caves, where centuries ago, the locals would get out their chalk for painting the white walls of the houses.
The villa has a Master bedroom with a Large en-suite bathroom, a second bedroom with 2 single beds (which can be placed together) with its own bathroom too.

Fully equipped Kitchen, TV with SAT channels (Digital Plus)and internet will be available by 1st of May, 2014.

Baby bed, high chair, etc are all available too...
The owner Toni, keeps his property well looked after.

On Wednesdays there is a change of clean towels and if the stay is 14 nights or 21 nights or longer, on SAT a cleaning of the villa is also done, no charge to the guests.

Due to cleaning, check-ins may be at around 1600, if that same day there has been a change-over. We would do our best to let you stay around the pool and exterior, while the interior is prepared.

The property has an Alarm.
All rates include local VAT.

The Refundable Breakage deposit is €500 euros.
